GERMAN DALMAGRO

Head Coach >> Second Season | West Florida (2005)

In his first season with the Big Red, head coach German Dalmagro (pronounced Her-mahn Dal-mahg-ro) led the Nebraska women's tennis team to two B1G tournament wins for the first time in program history. The 2023-24 squad also had its first ITA Regional Semifinals appearance since 2006. Dalmagro, a five-time tennis All-American, coached Maria Taranova to 22 singles wins in her freshman season, and Raphaelle Lacasse to an All-B1G first team honor. The team tallied a 14-11 season record, while having strong doubles competition, earning 18 doubles points in 26 matches, with four ITA All-American doubles victories.

The 10th head coach in the history of the Husker program, Dalmagro comes to Nebraska after spending the 2023 season as the head coach of the Arkansas State women's program. Familiar with the Big Red, Dalmagro served as the Huskers' associate head coach for five seasons from 2014 to 2018, when he helped Nebraska improve its win total every season.

"I am very grateful, humbled and honored to represent the Huskers and to keep building the team to new heights," Dalmagro said. "We will work hard in recruiting and developing our players on and off the courts to represent the 'N' with integrity, pride and grit. I am very excited for this opportunity to lead the team, and I can't wait to get started.

"It's a coming home kind of feeling. My family and I loved our time in Lincoln, and I couldn't be more excited to be back as the next head coach. None of this would be possible without my wife Karly and her unconditional support, and for allowing me to follow my dreams. I am looking forward to being a part of Nebraska and the community with her and our children."

Dalmagro has nearly two decades of overall collegiate coaching experience, including nine seasons in the Big Ten Conference. Before taking over the Arkansas State program in January of 2023, Dalmagro was the associate head coach at Illinois for four seasons.

Dalmagro has helped the Illini secure top-25 ranked recruiting classes two out of his final three years in Champaign. In 2022, Illinois wrapped up the regular season with a 15-8 overall record and finished tied for third with an 8-3 record in the Big Ten Conference.

Dalmagro's time as associate head coach at Nebraska was a rousing success. He helped the Huskers earn a top-60 national ranking in each of his five seasons, including a high of No. 21 in the 2017-18 season. The women's tennis program also excelled academically during his tenure, as the tennis team earned the Herman Award for the top GPA among all women's programs in both 2014 and 2018.

Dalmagro served as assistant women's tennis coach at Kansas from 2006 to 2013 helping the program earn seven All-Big 12 singles and doubles honors. The Jayhawks reached the Elite 8 in doubles at the All-American Championships in 2009. The program had 13 Academic All-Big 12 players in his tenure with the Jayhawks.

Dalmagro began his coaching career at the University of West Florida for the 2005-06 season. As an assistant coach for men's and women's tennis, he helped both squads reach the semifinals of the NCAA Tournament. Both squads attained a top-five national ranking as Gulf South Conference champions.

Dalmagro was a standout player at West Florida and Abraham Baldwin Agricultural College. He helped lead West Florida to back-to-back NCAA Division II Championships in 2004 and 2005 and was part of the 2005 Gulf South Conference champion team and 2004 Gulf South runner-up squad. His career was highlighted by All-America honors in 2004 (doubles), 2003 (singles and doubles) and 2002 (singles and doubles). He was ranked nationally as high as No. 3 in doubles and No. 11 in singles.

Dalmagro and his wife, Karly, have two sons, Enzo and Luca, and one daughter, Lucia.

MADDIE KOBELT

Assistant Coach >> Second Season | Syracuse (2014)

In her first season as assistant coach for the Nebraska women's tennis team, Maddie Kobelt played a vital role in the program's success. Kobelt helped lead the team to its first ITA Regional Semifinals appearance since 2006, and claim two B1G Tournament wins for the first time in program history. A success on the doubles court herself, Kobelt coached the Big Red to 18 earned doubles points in one season, and a duo to the team's highest ITA doubles ranking since 2013.

"I'm very excited to welcome Maddie to the Husker family," Dalmagro said. "She was a great college tennis player then went on to play on the WTA tour for several years with great results. She is coming with a lot of experience as a player that will help develop our team on and off the court.

During her coaching career at Syracuse, they had really good results, and I know her passion, work ethic and coaching philosophy will help us maximize our team potential. We have a talented group that is eager to get to work, and I'm very thankful Maddie believed in my vision and the direction we can take the team. We have a lot of resources at Nebraska and having her on board will help us achieve goals as we strive to make Nebraska great."

Kobelt has spent the last three years as an assistant coach at her alma mater, Syracuse. In 2022-23, Kobelt helped the Orange to a season-high ITA ranking of No. 16. In her time as an athlete at Syracuse, Kobelt was a team captain, played No. 1 singles and doubles, and reached a career-high ITA ranking in doubles of No. 32. Kobelt was also named to the 2013 All-Big East Team and the 2014 All-ACC Second Team. After her college career, Kobelt played professionally and reached career-high ITF rankings of No. 893 in singles and No. 294 in doubles, while earning 12 career professional doubles titles.

Kobelt was an assistant coach at Kenyon College (2018-20), helping lead the team to a No. 11 ITA Division III ranking and two NCAC Conference Championships. She is the sister of Nebraska men's tennis coach Peter Kobelt.

"I would like to thank Head Coach German Dalmagro and Executive Associate AD Keith Zimmer for this amazing opportunity to join the Nebraska family," Kobelt said. "I am honored to represent the Huskers and excited to start working with Coach Dalmagro and this outstanding group of young women. Nebraska's commitment to excellence and incredible support of their student athletes are unmatched. The possibilities are endless for what this team can achieve."

TROY DANNEN

Director of Athletics

Troy Dannen, a leading voice in collegiate athletics with extensive experience as an athletic director and deep ties to the Midwest, is in his first year as Nebraska's Director of Athletics. Dannen was hired on March 20, 2024, and has hit the ground running in Lincoln.

Nebraska Athletics enjoyed success during Dannen's first championship season, as the Husker baseball program won its first Big Ten Tournament title and reached the 40-win plateau for the first time since 2014 while the Husker track teams put together impressive showings. The Husker men won the Big Ten Outdoor title and earned their best NCAA Championship finish since 2016 with a 13th-place finish, while the Husker women posted their second straight top-10 NCAA finish and placed ninth at the national meet. Nebraska finished 22nd in the final 2023-24 Learfield Director's Cup, the program's highest finish since 2010.

Dannen has been a leader in charting the course for a new era of collegiate athletics, serving from 2021 to 2023 as a member of the NCAA Constitution Committee and the Division I Transformation Committee. Dannen also previously served as the chair of the NCAA Football Competition Committee and was an Executive Committee member of the Football Oversight Committee. In total, Dannen has served on seven NCAA committees.

In 2022, Dannen was a finalist for Sports Business Journal's Athletic Director of the Year award, and he received the Distinguished American Award from the Sugar Bowl Chapter of the National Football Foundation.

Dannen came to Lincoln after serving as Director of Athletics at the University of Washington. He helped guide the Huskies' transition to the Big Ten Conference and oversaw a football program that reached the College Football Playoff National Championship Game in January of 2024.

He arrived at Washington in the fall of 2023 after serving as Director of Athletics at Tulane University since 2015. While at Tulane, Green Wave student-athletes earned 49 All-America honors, a national championship, 21 conference championships and 41 postseason appearances.

In 2022-23, Tulane football won its first American Athletic Conference football championship and won the Cotton Bowl over USC, which was ranked ninth in the nation at that time. The men's basketball program won 20 regular-season games for the first time in two decades. Additionally, men's tennis advanced to its sixth NCAA Tournament in seven years, both bowling and beach volleyball finished ranked in the top 20, and baseball won the conference championship.

Tulane's football program participated in an unprecedented three consecutive bowl games from 2018 to 2020, winning back-to-back bowl games for the first time in 128 years of football at the University.

In the classroom, Tulane student-athletes excelled at a high-level. At the end of the 2022-23 academic year, over 68 percent of Green Wave student-athletes earned a 3.0 GPA or better, with a 93 percent Graduation Success Rate and a record-setting department Academic Progress Report of 992, with seven teams earning a perfect 1000 APR score.

Dannen spearheaded fundraising efforts and numerous capital projects at Tulane. He helped secure the largest unrestricted gift in Tulane Athletics history, an endowment gift that funded the operation of a new sport (sailing), and a $10 million lead gift for capital renovations, which was the second-largest gift in department history. In addition, marketing and licensing revenue grew four-fold, and in 2022-23, Tulane football, basketball and volleyball set ticket sales and revenue records. Under Dannen's leadership, the Green Wave Club Annual Fund grew by 40 percent in terms of donors, and 45 percent in terms of dollars.

Increases in fundraising and major gift donors positively impacted capital project development and completion. A $13 million renovation to the Reilly Natatorium, home of the swimming and diving program, as well as $8 million in renovations to locker rooms and the sports medicine area inside the Wilson Center were completed in 2023. Dannen also oversaw construction of a new dining facility, weight room, basketball and volleyball locker rooms. Tulane also completed a $2.4 million academic center renovation and a $5 million television and digital production center.

Dannen came to Tulane after serving eight years as the Director of Athletics at the University of Northern Iowa (UNI) from 2008 to 2015. During his tenure, the Panthers enjoyed success at both the conference and national levels, highlighted by an NCAA Sweet 16 appearance in 2010 by the UNI men's basketball team. During his eight-year tenure, UNI was recognized with 39 All-Americans, 13 Coaches of the Year and nine Missouri Valley Conference (MVC) Players of the Year. UNI football, men's basketball, women's basketball, volleyball and softball combined to reach 15 NCAA tournaments and 20 postseason berths during that stretch. For his efforts, Dannen was recognized as NACDA's FCS Athletic Director of the Year in 2014.

Prior to his time at UNI, Dannen served as the Iowa Girls High School Athletic Union's Executive Director for seven years, overseeing 400 high schools and 10 sports.

Dannen grew up on a farm just outside Marshalltown, Iowa, and graduated from UNI in 1989 with a degree in communications. He is married to Amy, and they have four children: Elle, Emily, Holly and William.

RODNEY BENNETT

University of Nebraska-Lincoln Chancellor

Dr. Rodney D. Bennett began his work as the 21st chancellor of the University of Nebraska–Lincoln, Nebraska's flagship, Big Ten research institution on July 1, 2023. He is a 30-year veteran of higher education with a track record of growing research, increasing student success and building impactful partnerships.

In his first year as Chancellor, the University experienced rising retention and graduation rates, demonstrated positive signs related to enrollment, and expanded its research and creative activity efforts.

• In Fall 2023, almost 4,700 first-time freshmen enrolled at UNL—an increase of 1.3 percent from 2022. 75.4 percent of those first-time freshmen are from Nebraska.

• Spring 2024 overall enrollment reversed a trend of five straight years of spring enrollment declines.

• Over the last five years, UNL retention from first to second year has increased 2.3 percentage points and four-year graduation rate has increased more than 8.5 percentage points.

• In 2023, the university's total research expenditures grew to $366 million, a 37 percent increase over the past decade. UNL has also experienced tremendous growth in externally sponsored federal funding, increasing to a record $163 million in 2023.

Chancellor Bennett came to Nebraska after nine years of successful leadership at the University of Southern Mississippi. During his tenure as president, USM was reclassified from a Carnegie R2 to an R1 university, signaling growth in research prestige and funding. Dr. Bennett also invested in programs to support student recruitment, retention and outcomes, including for the 30 percent of USM students who were first-generation. His efforts led to an improvement in the university's six-year graduation rate.

Prior to his role at the University of Southern Mississippi, Dr. Bennett served at the University of Georgia for more than a decade. He was the senior administrator for student programs and services for Georgia's 34,000-plus students; oversaw $150 million in capital projects; and made key staff and programmatic investments in extracurriculars, mental health programs and other areas to better support students.

Dr. Bennett has also been the dean of students at Winthrop University in Rock Hill, South Carolina, and associate dean of student life at Middle Tennessee State University.

Chancellor Bennett values community leadership and service. He has served on numerous boards, including the Mississippi Aquarium, Northeast Georgia Girl Scouts of America, Catholic Health East (Philadelphia), and St. Mary's Health Care System in Athens, Georgia. He is a member of Kappa Alpha Psi fraternity and Past Sire Archon for Sigma Pi Phi fraternity, The Boulé.

ATHLETIC MEDICINE

Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Head Athletic Trainer and Physical Therapist Jerry Weber (pictured, bottom) and Football Head Athletic Trainer Chris Peduzzi, the Nebraska athletic medicine staff consists of 16 full-time athletic trainers, six graduate assistant athletic trainers, as well as a team of primary care, sports medicine, and orthopedic physicians.

Nebraska's medical facilities have long been among the nation's best, and Husker Athletic Medicine will have a new home beginning this fall with the completion of a new facility which will feature state-of-the-art equipment including recovery modalities. Currently, NU's athletic medicine center is housed in the Tom and Nancy Osborne Athletic Complex. In addition to Nebraska's North Stadium facility, Hawks Field, Bowlin Stadium, Pinnacle Bank Arena, the Bob Devaney Sports Center and the Nebraska Soccer and Tennis Complex all feature athletic medicine facilities.

SPORT PSYCHOLOGY

Continuing its commitment to complete care for all student-athletes, Nebraska has a staff of five in-house mental health providers specializing in performance psychology who work directly with student-athletes, teams and coaches. Under the leadership of Director of Sport Psychology Dr. Brett Haskell, the Huskers' sport psychology staff provides counseling, psychological services, mental skills training, team-building and leadership development services for each of Nebraska's 24 sports and more than 600 Husker student-athletes. The staff works directly with student-athletes to help them develop skills to enhance personal well-being, address mental health and train psychological skills to optimize performance.

LIFE SKILLS

The Life Skills staff provides proactive education fostering the acclimation to the University of Nebraska, promote total person development best preparing student-athletes for life after sport, and serve as a powerful recruiting resource for each team.

INDIVIDUAL MEETINGS

Every Nebraska student-athlete meets individually with a Life Skills staff member to create and maintain a personal resume throughout their collegiate career. Since it is critical that a student build a resume throughout their collegiate career, each student-athlete creates a resume during their first year on campus. This allows the student-athlete to learn ways to best improve their resume and take steps each year to strengthen the resume. As a student-athlete moves through their collegiate career, they will meet with their Life Skills Counselor in follow-up meetings, allowing for resume updates. Nebraska athletics is proud to boast a 100% resume completion rate.

CAREER COMMITMENT & NETWORKING

Nebraska Life Skills organizes an annual Student-Athlete Career Fair Networking Night and other career events aimed at connecting Huskers with companies desiring competitive, hard-working, accountable candidates. Athlete Network and UNL's Handshake Link provide opportunities to explore career opportunities across the country.

COMMUNITY OUTREACH

Nebraska student-athletes readily accept the role-model challenge, collectively giving more than 8,000 hours annually to impact thousands across the state of Nebraska. Outreach events include but are not limited to hospital visits, mentoring, school assemblies, statewide rallies, Make-A-Wish, School is Cool and Husker Heroes. During the 2019-20 academic year, 296 Husker student-athletes completed at least six service projects earning spot on the coveted Tom Osborne Citizenship Team.

LEADERSHIP

Nebraska Life Skills provides student-athletes with countless opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can be members of the Student-Athlete Advisory Committee, Nebraska Football Road Race, Inner Circle, N-Vest or N-VOLVED. UNL offers more than 600 recognized student organizations allowing athletes to collaborate with other campus leaders for common goals. Nebraska Life Skills has funded and coordinated an annual service abroad trip that allows 20 student-athletes to work together toward a common goal while enriching cultural competencies.

DIVERSITY AND INCLUSION

The Life Skills program also is responsible for all Diversity and Inclusion initiatives for Husker Athletics. Since 2016, the Diversity and Inclusion Summit has reached all student-athletes and staff with programming emphasizing respect, acceptance and unity. Numerous other special events are coordinated in collaboration with campus departments highlighting the diversity within Husker Nation. N-Vest is a new mentoring program aimed at fostering successful transitions while connecting participating athletes with campus or community mentors to aid in personal and career development.

THE UNIVERSITY OF
NEBRASKA

THE UNIVERSITY OF NEBRASKA

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska–Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie "R1: Doctoral Universities – Highest Research Activity" category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska–Lincoln is a member of the Big Ten Academic Alliance (BTAA), formerly the Committee on Institutional Cooperation, which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 14 Big Ten Institutions and partners with the University of Chicago. The Big Ten Academic Alliance and the institutions together have annual research expenditures topping $11.5 billion — more than the Ivy League and the University of California System combined — and they educate a total of nearly 600,000 students with approximately 50,000 faculty members.
